Delfasco, a RCRA vapor intrusion site in Region 6 is being referred to superfund. Multiple residences are impacted. RCRA has issued the company a UAO and Delfasco has stated they have no funds to comply with the order. Enforcement is ongoing.....

We need \$200,000 to begin site remediation. An additional 100 homes need to be sampled. Any funds available at HQs? Potential funds becoming available in September? Let me know...Thanks. susan
